| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall<br><u>deductible</u> ?                              | \$4,000 / Member and \$8,000 / Family  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u><br>amount before this <u>plan</u> begins to pay. If you have other family members on<br>the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until<br>the total amount of <u>deductible</u> expenses paid by all family members meets the<br>overall family <u>deductible</u> .  |
| Are there services covered before you meet your <u>deductible</u> ?     | Yes. <u>Preventive care</u> , urgent care and outpatient office visits are covered before you meet your <u>deductible</u> .                                      | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other <u>deductibles</u> for specific services?               | Yes. \$1,500/Member, \$3,000/Family <u>deductible</u> for Tiers 3 and 4 for <u>prescription drug coverage</u> . There are no other specific <u>deductibles</u> . | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.   |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | \$7,200 / Member and \$14,400 / Family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the<br>out-of-pocket limit?                     | Penalties for not obtaining any required <u>prior authorization,</u><br>premiums, <u>balance-billing</u> charges, and health care this<br>plan doesn't cover.    | Even though you pay these expenses, they don't count toward the <u>out-of-</u><br>pocket limit.  |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. See www.healthplanofnevada.com/Member/Doctor-<br>or-Provider or call 1-877-752-8026 for a list of <u>Plan</u><br><u>Providers</u> .                         | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see<br>a <u>specialist</u> ?           | Yes  | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .   |

#### About these Coverage Examples:

This is not a cost estimator. Treatments shown are just examples of how this <u>plan</u> might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your <u>providers</u> charge, and many other factors. Focus on the <u>cost sharing</u> amounts (<u>deductibles</u>, <u>copayments</u> and <u>coinsurance</u>) and <u>excluded services</u> under the <u>plan</u>. Use this information to compare the portion of costs you might pay under different health <u>plans</u>. Please note these coverage examples are based on self-only coverage.
